FOR IMMEDIATE RELEASE

Tee It Up Golf, a Golf Simulator Experience Powered by Golfzon Technology, Announces Middletown Opening in Fall 2023

Louisville, KY (Aug. 1, 2023) -- Locally-owned *Tee It Up Golf USA* will open a 9-bay golf simulator facility at 201 Blankenbaker Parkway in Middletown, KY this fall. Golf simulator bays can be reserved by the hour by an individual or group. Tee It Up Golf USA will also offer leagues, tournaments, special events, and lessons with a PGA teaching professional. A full bar and select food items will be available.

Tee It Up Golf USA offers the only simulators in the region that are driven by Golfzon technology, the game of Golf's most immersive and advanced simulator. Recognized as the best golf simulator for five consecutive years by Golf Digest, this technology allows players to choose a virtual course and play the ball as it truly lies – rather than a mat, there is a 24-position moving swing plate giving golfers a chance to hit uphill, downhill and sidehill like they would on a course. The plate also has five different hitting surfaces, including two rough and two bunker surfaces to simulate those experiences. This technology won Golf Inc's Most Innovative Award for 2022.

High speed cameras capture 400 frames per second at the moment of impact, allowing golfers to see their shot on the screen instantly, as well as receive immediate feedback on their ball's flight. The auto tee technology lets golfers speed their game play and avoid the strain of bending over repeatedly. The virtual caddie will recommend clubs for each shot and golfers can play in national tournaments with other participants around the country who are using Golfzon technology.

"My family and I are very excited to bring this new concept to our hometown," said Codey Zipperle, General Manager and co-owner. "There is truly nothing else like it. Our golf simulators offer players a complete round of indoor golf, including putting. There are over 200 courses to play, so golfers can experience the same courses as the professionals. Whether someone wants to improve their game or just relax with friends, they will love what we have to offer at Tee It Up Golf USA."

Tee It Up Golf USA is jointly owned by Joel and Cindy Zipperle and Codey and Christina Zipperle. Hours of operation will be Monday-Thursday, 10a.m. to 10p.m., Friday and Saturday, 9a.m. to 11p.m. and Sunday 9a.m. to 9p.m. For additional details and to stay up to date on grand opening events, please visit the website at www.TeeItUpGolfusa.com.
