Don't Settle for Par When it Comes to Your Cybersecurity!

Real solutions, tailored to your business.

You are cordially invited to enjoy a delicious lunch with Unified and our partners for a discussion on Cybersecurity and Disaster Recovery on Wednesday, October 11th.

Recent Statistics on Cybersecurity*:

- ❖ Average cost of a ransomware attack projection: \$11.5M in 2023
- ❖ Over 60% of businesses that experience a cyber attack close their doors within six months
- ❖ Cybercrime will cost businesses an estimated \$10.5 trillion annually in 2023
- ❖ 91% of cyber attacks begin with spear-phishing email
- ❖ 60% of organizations do not have a cybersecurity response plan

*Statistics from Truefort.com

Following the event, please join us for an 18-hole putting green game on the Wit's End!

This course was inspired from the Himalaya Mountains. It will only take about an hour to play! Sign up when you register.

“How to Protect Your Family, Assets & Legacy Through Estate Planning”

Estate planning entails determining how an individual’s assets will be preserved, managed, and distributed after death. It also takes into account the management of an individual’s medical, financial and day-to-day affairs in the event that they become incapacitated. Join our short 25 minute webinar with Attorney Thomas K. Stone to learn how to protect your family, assets and legacy through estate planning. After completion of the webinar, you will be entitled to a free estate plan consultation.
