“How to Protect Your Family, Assets & Legacy Through Estate Planning”

Estate planning entails determining how an individual's assets will be preserved, managed, and distributed after death. It also takes into account the management of an individual's medical, financial and day-to-day affairs in the event that they become incapacitated. Join our short 25 minute webinar with Attorney Thomas K. Stone to learn how to protect your family, assets and legacy through estate planning. After completion of the webinar, you will be entitled to a free estate plan consultation.

Phoenix IT Offers

Managed Communication Services

Helping you communicate securely,
professionally, and efficiently
from anywhere.

What is VoIP?

VoIP, a service which is also known as Voice-over-IP (Internet-Protocol), offers businesses a more reliable and economical system for communication.

By cutting former dependence upon landline-based telephone service, companies can embrace the dependability which comes with telecommunications backed by a high-speed internet connection.

WISH YOU HAD MORE ANCHORAGE OR LAKE FOREST CLIENTS?

Let's chat about **Stroll**. We have six different magazines here in Louisville's most affluent neighborhoods like Lake Forest & Anchorage. These private 60-80 page magazines put you in front of the residents every single month. It's the #1 way to build trust, exposure, and word of mouth with residents.
