## **JOIN US IN THE MAIN DISTRIBUTION CENTER WAREHOUSE!**

Dare to Care relies on food donations in order to support our neighbors in need. When food is donated through food/fund drives, retail partnerships, or other means, it needs to be sorted in our warehouse before it is ready for an agency to distribute.

We rely on volunteers daily to help inspect food and sort it into appropriate categories. Other projects during this volunteer shift can include labeling food, consolidating large bags of produce into smaller bags, creating food boxes for clients, and more.

### **REQUIREMENTS:**

Close-toed shoes.

Standing, some walking and may include light lifting (less than 20 pounds).

Volunteers need to be at least 15 years old (if a volunteer is 14 years old, they must be accompanied by a guardian).

### **ADDITIONAL INFORMATION:**

There are lockers with locks provided to store your personal belongings while you are volunteering.

Please do not bring more volunteers than what you have signed up for.

**Thank you for volunteering with Dare to Care!  
Together we can help end hunger in our community!**

# Understanding How to Pay for Senior Care

## Financial Resources to Pay for Senior Care Wednesday April 24, 2024 | 5:00pm ET

As you or a loved one ages, increased care may be necessary for a comfortable, safe, and happy living environment. These additional care needs can create financial pressure for you or your family. It's important to explore all options to pay for care and feel confident about your financial future.

This session will provide an overview of various financial resources to pay for senior living including applying for VA Benefits, ways to maximize value of real estate, understanding long term care insurance, and short-term funding solutions. Emily will provide knowledge, tools, and tips to help you create a financial plan for care, whether in your home or a senior living community.

## "How to Protect Your Family, Assets & Legacy Through Estate Planning"

Estate planning entails determining how an individual's assets will be preserved, managed, and distributed after death. It also takes into account the management of an individual's medical, financial and day-to-day affairs in the event that they become incapacitated. Join our short 25 minute webinar with Attorney Thomas K. Stone to learn how to protect your family, assets and legacy through estate planning. After completion of the webinar, you will be entitled to a free estate plan consultation.
