JCPS Relay for Life

Friday, May 10, 2024

Eastern High School Football Field

12400 Old Shelbyville Road

[JCPS Relay for Life](#)

Dear Business Owner,

Thank you for considering participation in the JCPS Relay for Life. Relay for Life is an event that helps to raise awareness about the challenges that cancer patients and caregivers face, while also serving as an opportunity to fundraise for a cure. How can you help? There are several ways.

Captain: Become a team captain. Organize employees, friends, family, and neighbors to form a team and then encourage them to seek donations. Want to become a captain of compassion? You'll make a huge difference by recruiting members, organizing fundraising goals, and supporting your team.

Participant: Rally with your community by fundraising to fight cancer. You can join an existing team, start your own team, or walk on your own. Whichever you choose, you'll be part of something big.

Survivor/Caregiver: Survivors and caregivers are the heart of every Relay event. Connect with other survivors and caregivers, inspire someone newly diagnosed, lend an ear to someone with a similar situation, and be part of a community where cancer is faced together, not individually.

Sponsor: Can't walk but want to participate, then simply donate to the event. Then share the information with your contacts. You can also become a one-person army by doing your own Facebook fundraiser (see the link below for more information). Please print one of the flyers from below and display in your place of work.

Everyone is welcome to participate in the JCPS Relay for Life. Please get involved, it takes a community to beat cancer.

Our inaugural goal is \$25,000 and time is drawing near. We need your HELP, and we need it now.
