FOR IMMEDIATE RELEASE

Mirrorball, A Taylor Swift Themed Dance Party

Friday, September 6th, 2024

6:30 pm – 8:30 pm

CityPlace Expo Center, Pavilion 2

112 South 1st Avenue

LaGrange, Kentucky 40031

Grab your favorite ERAs themed outfit and head to CityPlace for our first ever Mirrorball, a Taylor Swift themed dance party. The event, presented in partnership with the Kentuckiana American Heart Association, pairs together great music, and heart healthy education to create the perfect "Love Story". This family-friendly event is free and open to the public. Donations will be accepted at the door for the American Heart Association (AHA).

The Mirrorball Dance Party has been organized to help raise awareness of the upcoming AHA Heart Walk. **This fun, active event raises funds that equate to more research, more people trained in lifesaving CPR, more medical breakthroughs and more champions for equitable health.** These outcomes result in drastically reduced rates of death due to heart disease and stroke making our communities stronger.

In addition to dancing, the Mirrorball will feature:

- Photo opportunities
- Desserts and a healthy yogurt parfait station
- Friendship bracelet making
- Music Bingo and Taylor Trivia
- Hands only CPR Demonstrations in sync to Taylor music
- ERAs outfits are welcome and encouraged!

Admission is free. Anyone under the age of 18 must be accompanied by an adult. For more information on Kentuckiana American Heart Association or the Heart Walk contact Taylor Jacobsen, Development Coordinator, Midwest Region, at Taylor.Jacobsen@heart.org

"Cardiovascular disease occurs every 39 seconds and is the No. 1 killer of all Americans. The Heart Walk joins more than a million people together in 300+ US cities who walk to take a stand against this vicious disease and to help save lives."
-Statistics from the AHA website

Let's Be Healthy Together!

Each month the Chamber highlights exciting and informative events, ranging from business mixers to ribbon cuttings; and while all of these events are important, nothing is as important as taking care of our health.

That is why we wanted to announce that Life Line Screening will be performing a day of preventive health screenings at **Middletown United Methodist Church on Thursday, September 12, 2024**. This collaboration helps bring important health screenings to our community at an affordable price. The tests look to identify risk factors that can lead to cardiovascular disease, stroke and other serious illnesses.

Life Line Screening uses these non-invasive methods to get you lab-accurate results and recommendations you can review with your doctor.

You must pre-register. Appointments are limited, so please sign up now by calling **1-844-591-7160** or visit Life Line Screening's website at **<https://www.lisa.social/hzca>** or text the word circle to **216-279-1607**.
