A WORLD BUILDING WORKSHOP

SAT
2-4:30 PM

7
SEPT

MUHAMMAD
ALI CENTER
144 N 6TH ST

Louisville has been on the frontline of amazing social innovations that have grown into movements. Once again we have an opportunity to lead. It's time to dream again!

A Peace on Earth Zone increases individual and community well-being. This is created through a **transformative process** that weaves together the social fabric of a community enabling greater cooperation for the common good. It does this at the personal and organizational levels by applying the seven transformative peace practices developed by playing the Peace Game - empowerment, oneness, unity, cooperation, abundance, love, and faith.

We call the journey of a community creating a Peace on Earth Zone "world-building." A Peace on Earth Zone is part of a global movement called Peace On Earth by 2030. In this workshop, we will envision a Peace on Earth Zone in Louisville and will be using one of the world-building skills of "Cooperation for the Common Good." Drawing upon our unique culture, strengths, and needs, we will transform Louisville into what we most wish it to be.

Calling all world builders... JOIN US!

Let's Be Healthy Together!

Each month the Chamber highlights exciting and informative events, ranging from business mixers to ribbon cuttings; and while all of these events are important, nothing is as important as taking care of our health.

That is why we wanted to announce that Life Line Screening will be performing a day of preventive health screenings at **Middletown United Methodist Church on Thursday, September 12, 2024**. This collaboration helps bring important health screenings to our community at an affordable price. The tests look to identify risk factors that can lead to cardiovascular disease, stroke and other serious illnesses.

Life Line Screening uses these non-invasive methods to get you lab-accurate results and recommendations you can review with your doctor.

You must pre-register. Appointments are limited, so please sign up now by calling **1-844-591-7160** or visit Life Line Screening's website at **<https://www.ilsa.social/hzca>** or text the word circle to **216-279-1607**.
