## WHAT TO LOOK FOR IN YOUR IT COMPANY! Choosing an IT company can be very stressful.

### What you should look for:

You need an IT company that you can trust.

You need to get references on the company you are considering.

You need an IT company that doesn't take advantage of you and try to sell you things you don't need.

**Call Phoenix IT for a consultation to see if we fit your needs. I'll bet we do!**
